Good afternoon Senior Staff,

I wanted to send a friendly reminder of our Bi-monthly Managers Call with KDHE tomorrow at 9:00 a.m. I have attached to this email the final agenda for our call, please note we have revised the format of our calls so agenda topics will be discussed by media. I have highlighted those who have been identified as lead for each agenda topic so please take a look at the attached agenda to ensure you are prepared to lead the discussion if you are listed as the topic lead.

I have also attached to this email as an overview for EPA Program Managers/Staff the KDHE CY20 PPG Funding Table which can be found on our POIS State Coordination SharePoint Site.

I will be facilitating tomorrow's call with KDHE and plan to kick the call off with a roll call of participants on the call. I will do this by division and follow in order of our agenda so please speak up when you hear your division's name! As always, feel free to give me a call if you have any questions regarding the attached documents.

Thanks so much,

**Whitney Rawls**
